PROFESSIONAL EXPERIENCE

Creative Lead

Multify Solutions Pvt. Ltd., Raipur, Chhattisgarh | April 2025 - Present

(Multify Solutions and Shri Ram Finance Corporation both are sister companies)

- Leading the creative direction for UI/UX design, web design, and brand identity projects.
- Managing end-to-end design processes including user research, wireframing, prototyping, and visual design.
- Overseeing design teams to produce high-quality graphics, motion design content, and digital assets for social media and campaigns.
- Collaborating with development and marketing teams to ensure brand consistency and optimal user experience.
- Creating responsive websites, dashboards, and mobile interfaces with a strong focus on usability and aesthetics.
- Enhancing digital performance through creative strategies and design optimization.

UI/UX Designer

Shri Ram Finance Corp., Raipur, Chhattisgarh | Oct 2022 - Mar 2025

- Designed and optimised digital loan application flows, resulting in improved user engagement and smoother onboarding.
- Developed UI/UX for websites, customer portals, dashboards, and internal tools.
- Executed digital marketing campaigns (Google Ads, Meta Ads, LinkedIn Ads) and optimized

budget utilization.

- Created graphics, social media posts, motion videos, and promotional materials for marketing initiatives.
- Improved the customer interaction experience by integrating UI enhancements and data-driven design.
- Conducted analytics with Google Analytics and internal tools to refine campaign and user-interaction strategies.
